

BENEFIT SKATE FOR LAUREN DENIO

December 29, 2004
12:20pm TO 2:20pm ON THE RED RINK
LAKELAND ICE ARENA
7330 HIGHLAND ROAD WATERFORD MI

WE ARE LOOKING TO HELP LAUREN'S PHYSICIAN, DR. JOHN PARK, RAISE FUNDS SO HE CAN HELP LAUREN ACHIEVE HER GOAL OF GOING BACK TO COLLEGE.....HEALTHY!!

THE MONEY RAISED WILL HELP CONTINUE RESEARCH IN THE PEDIATRIC UROLOGY DEPARTMENT AT THE UNIVERSITY OF MICHIGAN. THE RESEARCH THEY ARE DOING IS TO FIND A NEW WAY TO MAKE BLADDERS AND URETERS FROM THE LINING OF THE CHEEK TISSUE. WITHOUT THIS NEW PROCEDURE, LAUREN'S ONLY REMAINING KIDNEY WILL CONTINUE TO BE DAMAGED BY THE REOCCURRING INFECTIONS THAT PLAGUE HER DAILY. SHE SPENDS MANY DAYS IN THE HOSPITAL AND REQUIRES NUMEROUS SURGERIES TO HELP HER MAINTAIN A HEALTHY KIDNEY. THIS KIDNEY SHE HAS WAS TRANSPLANTED IN FEB. OF 2004.

PLEASE COME JOIN US FOR AN AFTERNOON OF OPEN SKATING TO HELP RAISE THE NECESSARY MONEY FOR DR PARK TO CONTINUE HIS BREAKTHROUGH RESEARCH.

ADMISSION WILL BE \$5 PER PERSON TO SKATE FOR THE 2 HOURS. THE ICE HAS BEEN GENEROUSLY DONATED TO OUR FAMILY BY URBAN RICE. WE WILL BE HAVING A 50/50 RAFFLE AND OTHER EVENTS.

ALL PROCEEDS FROM THIS BENEFIT SKATE WILL BE GOING DIRECTLY TO THE PEDIATRIC UROLOGY RESEARCH FUND.
