Practice Ice Reservation

In addition to the normal warm up period associated with each skating event, you may purchase **one** 20 minute practice session per event entered. The competition committee will make every effort to ensure that all competitors have an opportunity to become familiar with The Ohio State University ice rink.

All practice sessions will be assigned by test level and limited in size, so specific requests for a particular time may not be honored.

The times of the practice ice will depend on the schedule of the competition and available ice.

The cost of a 20 minute practice session is \$6.00. You will be notified of your practice time when the notice of your scheduled skating time(s) is mailed to you. You will also be notified if additional practice sessions become available.
