

Detroit Metro Skating Council hosts: US Figure Skating / PSA Basic Skills Workshop

All Basic Skills Skating Instructors, Assistants and Directors, are invited for a great day of skating, learning and sharing. The topics will include every aspect of the USFSA Basic Skills curriculum, teaching techniques, testing standards, class organization, parent education, safety/liability, Basic Skills competitions, program administration, and customer service. (Directors/experienced coaches are taught on a separate track from new instructors and assistants.)

The PSA Basic Accreditation Exam will be given. If you are planning on taking the written Basic Accreditation Exam, you must complete a ratings application (available at www.skatepsa.com) and return it to the PSA Office with payment by April 19. PSA credit will be given for participation in this workshop.

Fee: \$25 per participant. Includes coffee breaks, lunch, and all materials. Make check payable to Detroit Metro Skating Council. DMSC will reimburse registration fees for participants belonging to DMSC member clubs.

Added feature: A special half-day track for parents/club members/board members/interested parties will be held each afternoon, 1pm – 4pm. **FREE**, but you must register. Great way to learn lots!
