There are four skaters to a team with one element being performed by each team member. Each team member will have one chance to execute the element. Three to four minutes will be allotted for each team. Should a skater be unable to compete due to illness or injury, a teammate may execute the element with proper notice to the referee of the event prior to event start. No additional unnecessary moves will be allowed.

Each team is to name a team captain through whom any communication with the team and the event referee is handled. Each team should have a sign 28" x 12" which includes the team's name, level and club. If two teams from a club enter the same level, the team name must be different from each other.
