Performances will be judged for theatrical and artistic qualities, from an entertainment standpoint. Technical skating skill and difficulty will not be rewarded as such; however, skating must be the major element of the performance and of sufficient quality to support the theatrical elements chosen. **Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestants' marks.** Jump difficulty is not rewarded in showcase, therefore jumps, if choreographed, should be those performed with style, flow and confidence. Jumps should not be used but as the choreography requires. Theatrical elements evaluated will include: Energy, poise, acting, pantomime, eye contact, choreography, form, extension and the use of costumes, ice and props.

Open themes for each level. Skaters will provide their own music. Vocal music is allowed. A certain amount of jumping is permitted, but no credit is given unless the jumps contribute to the overall aesthetic value of the program. Skaters will be judged according to how well they interpret their theme. Artistry, originality, and creativity are emphasized. Props may be used to accentuate the performance. The skater is responsible for transporting the props on and off the ice. Thirty seconds will be allowed for this. Costumes are encouraged! **NOTE: Props will not be allowed on the warm-up.**

Team Compulsory

A figure skating club may enter no more than two teams in each level. Skaters may only skate for their home club. Both boys and girls may skate on the same team. The highest test level of one skater determines the team's level to compete. A skater may skate on one team only.

There are four skaters per team with one element being performed by each team member. Each team member will have one chance to execute the element. Three to four minutes will be allotted for each team. Should a skater be unable to compete due to illness or injury, a teammate may execute the element with proper notice to the referee of the event prior to the event start. No additional unnecessary moves will be allowed.

Each team is to name a team captain through whom any communication with the team and the event referee is handled. Each team should have a sign 28" X 12" which includes the team's name, level and club. If two teams from a club enter the same level, the team name must be different from each other. Full ice will be used for this event and quiet background music will be provided.
