

29 June 2007

Hi Skaters!

Schedule update - we will begin competition events on Thursday morning and complete on Sunday afternoon. Practice ice start is still undetermined at this point but we will definitely have sessions starting early on Wednesday morning.

Clarification for the Open and Championship Pre-Preliminary Compulsory Moves element #3 - Upright Change Foot Spin - no change of position. The definition for the purpose of this competition is a forward scratch spin change to a back scratch spin and exit (2 spins total).

More info to come shortly!

Best Regards,

Lisa Landon
Figure Skating Commissioner
2007 State Games of America
